CLEANS IT CLEANER

PRODUCT DESCRIPTION

This multi-purpose, biodegradable cleaner is formulated specifically for removing stubborn dirt and grease. May be used with pressure wash system, auto scrubber or manually. USDA Authorized.

USES

- Hoods / Filters
- General Purpose
- Deep Fat Fryers
- Floors & Walls
- Countertops

DIRECTIONS/DILUTIONS

Dilute as indicated below, apply with a cloth, mop or spray on. Solution should be applied generously, allowed to stand several minutes and rinsed well. Follow with a potable water rinse when used in edible product process areas.

FOR AUTO SCRUBBERS & PRESSURE WASH SYSTEMS: Use settings as per manufacturers recommendations.

SUGGESTED DILUTION RATIOS:

Light soil: 2 oz. per gallon of water

Medium soil: 6 oz. per gallon of water

Heavy soil: 8 oz. per gallon of water

USDA Authorized

NOTE: DILUTE WITH WATER ONLY
