ELUTE

PRODUCT DESCRIPTION

A heavy duty liquid laundry detergent formulated to clean & brighten laundry and leave it smelling fresh. ELUTE can be used on all types of fabrics by varying the amount used. Contains fabric whiteners for whiter whites. Does not contain any phosphates.

FEATURES

- Safe to use on all fabrics
- Contains fabric whiteners
- Concentrated
- Effective in hot or cold water
- Does not contain phosphates

DIRECTIONS/DILUTIONS

Start with 2 ounces (1/4 cup) of ELUTE and adjust amount for heavily soiled clothes, extra large loads or hard water. Use as a pre-treat for stains by rubbing a small amount directly into stain, then launder as usual. Can be used in hot, warm or cold water.
