FLAME

PRODUCT DESCRIPTION

This ready-to-use stove and fireplace cleaner is specially thickened to cling to vertical surfaces of woodburning equipment. Creote and smoke stains are quickly removed without affecting brass, paint or lacquer.

USES

- Glass doors & windows
- Ceramic
- Enamel
- Stone
- Fireplace inserts & screens

DIRECTIONS/DILUTIONS

Spray on surface to be cleaned-completely cover; let stand 1 to 2 minutes then riinse away with a damp cloth. May take 1-2 applications depending on amount of grime or soot build-up to be removed. A second application on glass will make it sparkle.

Item No.	Description
