

COLOR SAFE BLEACH

Solid Oxygen Bleach

COLOR SAFE BLEACH uses a peroxide-based color-safe formula to remove stains & brighten fabrics during the laundry wash cycle.

- De-stains With No Damage to Fabric or Color
- Color-safe, Liquid Oxygen-based Formula
- Removes Stubborn, Set-in Stains

COLOR-SAFE, LIQUID OXYGEN-BASED FORMULA CLEANS & BRIGHTENS FABRICS!

WHERE TO USE

- COMMERCIAL LAUNDRY MACHINES

DIRECTIONS

READ ENTIRE PRODUCT LABEL PRIOR TO USE.

COLOR SAFE BLEACH is for industrial use only. It should be used in a wash formula specifically designed to meet the needs of your facility. Consult your technical chemical representative for specific use directions.
