

# YOUR CHEMICAL SOLUTIONS PARTNER.

All specialty chemical companies are not the same. **EMULSO** provides a comprehensive line of industrial cleaning products & solutions to businesses that keep everything from kitchens to clothing spotless.

With over 100 years of expertise, our perfected, highly-concentrated formulas are safe for use in the commercial food industry but strong enough to remove dried cement from construction equipment.

Today our line boasts over 100 specialized products, many of which are eco-friendly, EPA-registered, & DOT-approved, for users in eight key industrial markets, as well as dispensing equipment and a staff of professional **CleanTech® Representatives** to ensure you are stocked with the right products, at the right time, keeping your operational costs lean & facility sparkling clean.

EQUIPMENT

## DISPENSERS SMART DOSING

Reduce overuse & product waste & improve safety & efficiency with our accurate dispensing equipment! Free, in-house staff training & service maintenance checks are complementary for all chemical customers.

## CLEAN SOLUTIONS FOR EVERY SPACE

### LAUNDRY

Shorter cycle times, brighter, softer fabric & improved linen retention - three key reasons your facility should use **EMULSO's** commercial-grade laundry care products. Don't compromise quality for low cost - you can have both with **EMULSO**.

### KITCHEN

Whether your facility houses a full-service kitchen or you only offer a to-go continental breakfast, **EMULSO** has the cleaning products you need to keep your cutlery clean, your glasses gleaming & your ovens/grills grease & grime-free!

### RESTROOM

The overall hygiene perception of a facility is built around the restroom. Keep your toilets, urinals, sinks, tubs, & showers squeaky clean with our specialty line of highly-concentrated restroom cleaners.

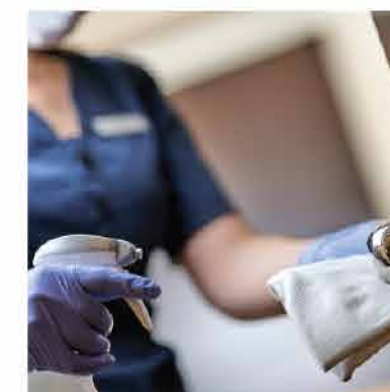

### CARPET & FLOOR CARE

Carpets can make or break the appearance of a room & are costly to replace. Those in high traffic areas like lobbies especially take a beating. Protect your investment & extend the lifetime of your facility's carpets with **EMULSO's** easy-to-use line of carpet care products!

### HAND CARE

Hands are a germ's super-highway for spreading to new hosts, which makes proper hygiene a key tool in preventing HAI's. Stop illness before it starts & protect everyone in your facility with **EMULSO's** line of high-quality hand soaps!

### INFECTION PREVENTION

In today's post-pandemic world, infection prevention is more important than ever. Keep your guests & staff safe with **EMULSO's** EPA-registered line of disinfectants & sanitizers.
