

POWDER LAUNDRY DESTAINER

Dry Chlorine Bleach

POWDER LAUNDRY DESTAINER uses free-flowing dry-chlorine bleach formula enhanced with alkaline builders to clean & destain fabrics & brighten whites. Designed for use in any washing formulation in which a chlorine bleach may be used.

- Free-flowing & Fast Dissolving
- Destains & Brightens White Fabric
- Evenly Releases Chlorine Throughout Cycle

CLEANS & DESTAINS FABRICS & BRIGHTENS WHITES!

WHERE TO USE

- ANY WASHING FORMULATION WHERE A CHLORINE BLEACH MAY BE USED.

DIRECTIONS

READ ENTIRE PRODUCT LABEL PRIOR TO USE.

For normal soil loads, add 1/2 OZ - 1 OZ per 10 LBS of wash load capacity to the wash cycle. For maximum bleaching, maintain a wash temperature between 150° F - 160° F. Rinse thoroughly.
