

D-STAIN

Laundry Destainer

D-STAIN uses a chlorine bleach-based formula to remove stains and eliminate fabric discoloration.

- Removes Stains & Brightens Fabrics
- Eliminates Fabric Discoloration
- Safe for Use on Cottons, Linens, Whites & Colorfast Fabrics

TOUGH ON STAINS, EASY ON FABRIC!

WHERE TO USE

- COTTONS
- LINENS
- WHITES
- COLORFAST FABRIC

DIRECTIONS

READ ENTIRE PRODUCT LABEL PRIOR TO USE.

PRESOAK: Dilute 1 - 2 OZ to 5 GL of water and soak laundry to aid in the elimination of stains and discoloration.

BLEACH: Dilute 5 - 10 OZ per 100 LBS of laundry. Safe for use on cottons and linens both white and colorfast. Do not use on silk, wool or nylon fibers.

Consult your Service Representative for accurate recommended usage.
