

# EZ RUST

## Rust Pre-Spotter

**EZ RUST** uses a high-performance formula to remove rust and iron stains from most fabrics and hard surfaces including around the base of metallic surfaces in lavatories and kitchens.

- Removes Rust & Iron Stains from Most Fabrics & Hard Surfaces
- Does Not Contain Hydrofluoric Acid/Derivatives
- Easy-to-Use Dispenser Application

### QUICKLY & EASILY REMOVES RUST & IRON STAINS!

## WHERE TO USE

- FABRIC
- HARD SURFACES

## DIRECTIONS

### READ ENTIRE PRODUCT LABEL PRIOR TO USE.

Apply **EZ RUST** directly from spout of bottle. **DO NOT APPLY PRODUCT WITH FINGERS.** Let sit 5 minutes and wash immediately. Old stains may require several applications.

**EZ RUST** is safe for use on most colors and fabric types. Test on an inconspicuous area before applying to delicate fabrics or when using the product for the first time.

For use on metal stains such as iron.
