

# ALUMINATE

## TRAILER BRIGHTENER

### FOR USE ON UNPOLISHED METAL

**ALUMINATE** uses a high-performance formula to clean and brighten non-polished metal exterior surfaces.

- Removes Oxidation & Corrosion
- Restores Original Finish
- For Non-Polished Metal
- Pressure Washer or Hand Brush

### FULLY RESTORES ORIGINAL METALLIC LUSTER!

## WHERE TO USE

Exterior **Non-polished Metal** Surfaces

## DIRECTIONS

### READ ENTIRE PRODUCT LABEL PRIOR TO USE.

Dilute 2 OZ **ALUMINATE** per gallon of water for mildly oxidized surfaces. Increase concentration for severely oxidized surfaces. Always apply from bottom toward top, both on application and rinse. Allow **ALUMINATE** to work for several minutes before rinsing. Do not allow surface to dry before rinsing. May be used in pressure washer, automatic type washers or applied by hand brushing. Keep off roof of trailer, paint, glass, ceramic, and anodized aluminum as it can damage these surfaces. For best results clean surface first with **EZ WASH**. For polished surfaces, use **GLISTEN**.

## TECHNICAL DETAILS

SIZE	PACKAGING	LIQUID COLOR
1 GL	4/1 GL CASE	BLUE
5 GL	PAIL	BLUE
55 GL	DRUM	BLUE
275 GL	TOTE	BLUE
