

CONCRETE REMOVER

Acid Alternative

CONCRETE REMOVER uses an acid-free high-performance formula to remove concrete deposits from vehicles & equipment.

- Removes Concrete from Vehicles & Equipment
- Outperforms Most Traditional Acids
- Non Corrosive to Skin
- For Use Straight or Diluted
- Not DOT-regulated

SAFE, NOT REGULATED ACID-ALTERNATIVE!

WHERE TO USE

- VEHICLES
- TOOLS
- EQUIPMENT

DIRECTIONS

READ ENTIRE PRODUCT LABEL PRIOR TO USE.

Consult your Emulso Sales Representative for dilution directions.

MANUAL APPLICATION: Apply to surface with bucket & brush & let sit for 2 minutes, then rinse off.

SPRAY APPLICATION: Apply to surface with a low-pressure sprayer to avoid splashing.
