

SOLID PERFORMER

Solid Warewashing Detergent

CleanTech an Emulso Brand

CleanTech's **SOLID PERFORMER** uses a highly concentrated solid formula to remove stubborn grease, oil, and food soils from dishes and utensils in automatic dish machines.

- Removes Grease and Food Soil from Dishes and Utensils
- Highly-concentrated Solid Formula
- Easy to Use

FORMULATED FOR AUTOMATIC DISHMACHINES

WHERE TO USE

- COMMERCIAL DISHMACHINES

DIRECTIONS

READ ENTIRE PRODUCT LABEL PRIOR TO USE.

Dilute 0.10 - 0.167 OZ per gallon of hot water and allow to soak before scrubbing. Hard water, heavy food soils, and low wash temperatures may require additional product.
