

TOUGH STUFF PLUS

Heavy Duty Concrete Remover

TOUGH STUFF PLUS uses a nonhazardous high-performance formula to remove concrete deposits from vehicles & equipment.

- Removes Concrete from Vehicles & Equipment
- Outperforms Most Traditional Acids
- Non Corrosive to Skin
- For Use Straight or Diluted
- Not DOT-regulated

SAFE, NOT REGULATED ACID-ALTERNATIVE!

WHERE TO USE

- VEHICLES
- TOOLS
- EQUIPMENT

DIRECTIONS

READ ENTIRE PRODUCT LABEL PRIOR TO USE.

DAILY MAINTENANCE: Dilute 1 part TOUGH STUFF PLUS to 30-50 parts water depending on condition of surface to be cleaned. Do not allow surface to dry before rinsing. May be used in pressure washer, former, automatic type washers, or applied by hand brushing.

HARDENED CONCRETE: Use as a concentrate. Allow product to soak until desired effect is achieved.
