- Removes Grease, Soil, and Carbon Build-up
- Ready-to-use, High-performance Formula

SPECIALLY FORMULATED FOR CLEANING COMMERCIAL OVENS & APPLIANCES!

WHERE TO USE

- BAKING RACKS • BROILER PANS • EXHAUST HOODS • FILTERS • GRILLS

DIRECTIONS

READ ENTIRE PRODUCT LABEL PRIOR TO USE.

Remove excess food residue and debris from surface to be cleaned using a scraper or putty knife. Thoroughly coat surface with **GREASE BUSTER** and use a scraper to remove softened residue. If necessary, re-apply to area and repeat. Rinse well with cold water and wipe dry.

NOTE: Weekly application of **GREASE BUSTER** is recommended.
