

# YOUR CHEMICAL SOLUTIONS PARTNER.

All specialty chemical companies are not the same. **EMULSO** provides a comprehensive line of industrial cleaning products and solutions to businesses that keep everything from kitchens to vehicles spotless.

With over 100 years of expertise, our perfected, highly-concentrated formulas are safe for use in the commercial food industry yet strong enough to remove dried cement from construction equipment.

Today our line boasts over 200 specialized products, many of which are eco-friendly, EPA-registered, and DOT-approved, for users in eight key industrial markets, as well as dispensing equipment and a staff of professionals to ensure you are stocked with the right products, at the right time, keeping your operations running smoothly.

CONSTRUCTION & PAVING

ONE SOURCE

# TOP TO BOTTOM

FLEET & MAINTENANCE

From in the field down to the shop restroom, **EMULSO's CONSTRUCTION & PAVING PROGRAM** has you covered!

**EMULSO** provides industrial-strength cleaning solutions tailored to every project your business handles. From a crack sealant barrier material that keeps traffic flowing over fresh repairs, to a tar & asphalt remover that melts off new & old deposits faster than you can put on a hard hat, our high-performance products ensure every project exceeds your client's expectations while your equipment looks good doing it.

The best part? Only dealing with one source for chemicals, customer support, technical service & staff training!

## 3 STEPS
