

# YOUR CHEMICAL SOLUTIONS PARTNER.

All specialty chemical companies are not the same. **EMULSO** provides a comprehensive line of industrial cleaning products & solutions to businesses that keep everything from kitchens to clothing spotless.

With over 100 years of expertise, our perfected, highly-concentrated formulas are safe for use in the commercial food industry but strong enough to remove dried cement from construction equipment.

Today our line boasts over 100 specialized products, many of which are eco-friendly, EPA-registered, & DOT-approved, for users in eight key industrial markets, as well as dispensing equipment and a staff of professional **CleanTech Representatives** to ensure you are stocked with the right products, at the right time, keeping your operational costs lean & facility sparkling clean.

# CLEAN SOLUTIONS FOR EVERY SPACE

### BREW PLANT

Producing the best beer requires a sterile environment. In brewing, contamination looms over every stage of the process. **EMULSO's** line of craft brewing cleaners & detergents keep your equipment & facility sanitized & clean to ensure every batch is the perfect one.

### KITCHEN

**EMULSO** has the products you need to keep your cutlery clean, your glasses gleaming & your ovens/grills grease & grime-free, so you can focus on what matters most: creating a world-class product & experience for your customers.

### RESTROOM

The overall hygiene perception of a facility is built around the restroom. Keep your toilets, urinals & sinks squeaky clean with our specialty line of highly-concentrated restroom cleaners.

### CARPET & FLOOR CARE

Flooring can make or break the appearance of a room & is costly to replace. **EMULSO's** complete line of floor & carpet care products keep your floors & carpets clean & even extend the time between maintenance treatments, saving you time & money! Work smarter, not harder with **EMULSO's** easy-to-use line of floor & carpet care products!

### INFECTION PREVENTION

In today's post-pandemic world, infection prevention is more important than ever. Keep your guests & staff safe with **EMULSO's** EPA-registered line of disinfectants & sanitizers.

### HAND CARE

Hands are a germ's super-highway for spreading to new hosts, which makes proper hygiene a key tool in protecting your staff & customers as well as your image. Protect your facility with **EMULSO's** line of high-quality hand soaps!
